Be Safe, Be Respectful, Be Responsible

May 2017

Greetings YMS Parent(s):

It is hard to believe we have only a few short weeks left of this school year. The students and teachers have been working extremely hard to make this 4th quarter our BEST QUARTER! We have finished with our NeSA assessments and we are confident students have given their very best effort and that is all we ask at YMS.

Some great things will be happening at YMS in May to close out an excellent year.

-May 2nd is our YMS talent show at 7:00 p.m. Come see some very talented students.

-May 5th I am PLEASED to announce that Dr. Mark and Joni Adler will be speaking at 9:15 a.m. in our YMS gym. Dr. Adler and his wife lost their son to suicide last year and now they are taking their message of kindness to schools and parents. Parents if you can, I invite you to come and listen to this powerful message, it is one you won't want to miss.

-May 5th is also our Mini-Google Summit where students present to their peers on different technology topics in the morning. That afternoon over 35 careers will be shared with our students as they take part in the YMS Career Fair.

-May 12th is our 41st annual Almost Anything Goes Day (AAGD). In the morning all of our students will be participating in "Operation Clean-Up York". Students will be traveling to various parks around the city to do some "spring cleaning".

-May 17th at 11:00 a.m. we will have our 8th Grade Recognition in the YMS Gym.

I am very excited to watch our talented students perform and learn at these excellent events. Hopefully, you can come out and see for yourself just how talented our students are.

I told the students at a recent assembly that I am so proud to work at this school. This is a place where the adults are working hard for kids and kids work hard to learn. This is a school that promotes individual growth and celebrates the "quirkiness" of students as they grow physically, emotionally, socially and academically.

Thank you, parents, for trusting YMS with your child's education. Best of luck to our 8th-grade students as they transition to YHS and WELCOME our new YMS 5th grade students from YES.

We are going to have an even better year next year!

Kenny Loosvelt

Middle Years

Working Together for School Success

Short Stops

Check your mail

What's in the bulk mail that arrives in your mailbox?

Opportunities for your child to discover writing strategies! What was the writer's purpose? (To persuade you to buy something, to inform you about an issue.) How did he achieve that purpose? (With facts, statistics, or words appealing to emotions.) Ask your tween if the strategies worked: Does he want the product or agree with the position?

Sun smart

Encourage your child to be smart about outdoor safety habits this summer. Have her drink lots of water to stay hydrated—when she's thirsty, with meals, and while she's active outside. Also, make sure she knows to wear sunscreen even on cool, overcast days, since harmful UV rays still come through.

Well-earned thanks

A simple thank you from students and parents means a lot to teachers, staff members, and coaches. Your middle grader could hand-deliver a card saying what he has learned from them. And you might send an email mentioning why you're grateful the person was in your child's life this year.

Worth quoting

"In summer, the song sings itself."
William Carlos Williams

Just for fun

Q: What do Alexander the Great and Kermit the Frog have in common?

A: Their middle name!

Keep on learning

Year in review: Your child has learned a lot in many different subjects, from language arts to math to science. Flash forward: By practicing skills during summer-time, she can hang onto what she learned and gain even more knowledge. Try these ideas.

Read across the map

Print out a United States map, and hang it in a hallway. As a family, set a goal of coloring in every state by reading books or articles that take place there or mention it. If your tween reads a novel that's set in Arizona or you read a magazine article about sightseeing in Georgia, fill in those states. *Idea:* At summer's end, encourage her to pick a state and write her own tale about it.

Take math on the road

Have your middle schooler practice doing math in her head with this car-trip activity. Suggest that she add, subtract, multiply, or divide numbers she spots along the way. If she sees a sign for 7th Street and a 25 mph speed limit, she might multiply 7×25 or divide 25 by 7.

To turn it into a game, let her call out the problem. The first person to answer correctly gives the next equation.

Create a science spot

Designate a corner for storing odds and ends—say, cardboard, index cards, and aluminum foil. When your tween says, "I'm bored," see if she can figure out ways to use them in a science experiment or engineering project. Cardboard tubes could become a marble "roller coaster" to test gravity. Aluminum foil and index cards might be engineered into a shiny skyscraper. Have her research ideas online or in books. 👍

"I'm a CEO"

Starting a business in middle school brings job experience and the chance to earn money. Help your middle grader tap into his inner entrepreneur with these tips.

■ **Find a niche.** What does he like to do? What is he good at? Maybe he loves animals and would enjoy walking or feeding pets. Perhaps he is strong in math and could tutor younger children in multiplication and division.

■ **Advertise.** Suggest that he make flyers to place on community bulletin boards or distribute to neighbors. He should tell relatives and friends about his business and ask them to pass the word along, too. 👍

Foster loyalty

You want your middle schooler to be a good friend and a good student. Learning to be loyal will help him do both. Here's how.

With friends. Watch for opportunities to bring up what loyalty looks like in friendships. For example, if he mentions that a buddy said something mean about another friend, ask what a loyal person would do (defend his pal by

pointing out a different viewpoint). Also, share examples from your own life. Perhaps you were invited to an event and really wanted to go, but you stayed loyal to the friend you had already made plans with.

At school. Your child's school is his community, and being loyal to it influences his success there. Help shape his attitude by letting him hear you speak positively about his school and the teachers. To foster school pride,

encourage him to attend after-school events like pep rallies and art shows, even if his "crowd" isn't involved. He'll show loyalty not only to his school but also to the students who are participating. 🍷

A natural explorer

Spending time with nature helps your tween connect what she's learning in school to real life—and can even boost her critical and creative thinking. Share these strategies.

Be a nature reporter

What kinds of plants, trees, and animals live in your area? Suggest that your middle grader start a journal to record what she sees. She could sketch and label objects and living things, describing where and when she saw crabapple trees or chipmunks, for instance. Encourage her to research anything she doesn't recognize and share what she learns.

Plant an herb garden

Your child can dig into herbs by planting her own. In the process, she'll learn how they can be used and what conditions they grow best in. She might create a themed garden—say, a "Mexican Food" garden with cilantro and oregano. Have her ask neighbors for clippings or look for inexpensive seeds in stores. Then, she could plant them in small pots to place on a windowsill or outdoors. 🍷

Parent to Parent

Handling the end-of-year rush

The last couple months of the school year have become one of our family's busiest times. I love being involved in my sons' activities. But between Brad's band events, Josh's tennis team commitments, and my work schedule, it's hard to keep up.

This year, I wanted us to head into the final stretch better prepared. We started going over the kids' schedules each week to plan ahead. I let them know what I would attend—and whether I could drive them or they'd need to arrange rides.

Last week I swapped my night shift with a coworker so I could go to Brad's band concert. But since I had to work the day of Josh's team car wash, I sent in snacks and checked with him afterward to see how it went. Even if I can't be at everything, my boys know I care about what they're doing. And so far, I feel more on top of things. 🍷

Q & A

Ready, set, exercise!

Q I want our family to be more active, but my tween says exercise is boring. What are some fun ways to get moving?

A Your child may like starring in a family fitness video. Tape video clips of each other leading workout moves to music. You'll be active while you make it, and you can play it back anytime and follow along. You could even create different kinds of fitness videos—one set to

slow music for stretching or yoga poses and another to high-energy music for cardio or intervals.

Also, instead of trying to exercise 60 minutes at once, try weaving in a few minutes of activity here and there. Consider having your child assign different exercises to each room.

She might put a sticky note in the bathroom: "March in place while brushing your teeth!" Or she could place soup cans in the living room to use as weights while watching TV. 🍷

OUR PURPOSE

To provide busy parents with practical ideas that promote school success, parent involvement, and more effective parenting.

SPRING BAND CONCERT

Plan to attend our Spring Band Concert to be held on Thursday, May 4th, at 7:00 p.m. in the High School Theater. The concert will feature performances by the Middle and High School Concert Bands. There is no admission charge for the concert.

MUSIC MATTERS!

BEGINNING BAND LESSONS

Any 6th, 7th or 8th grade student interested in being a part of our band program next year can get a jump start with beginning band lessons. A parent and student meeting will be held on Monday, July 17th at 7:00 p.m. in the Middle School Band Room to answer any questions about our band program. A representative from Schmitt Music in Omaha will be available at the conclusion of the meeting to talk about their instrument rental plan. The lessons will be held on July 31st, August 1st and 2nd in the Middle School Band Room. There will be no charge for lessons, please contact Mr. Forsch for more details.

SENIOR HIGH SCHOOL BAND CAMP

Future High School Band members should mark their calendars for the beginning of next year's marching season. We will hold our "Band Camp" rehearsals August 7th, 8th, 9th and 10th from 9:00 a.m. to 1:30 p.m. in the High School Band Room. We will conclude rehearsals with our "Drill Marching Contest" at 7:00 p.m. on Thursday, August 10th at the High School marching rehearsal lot. A Band Booster meeting will be held immediately following the contest in the High School Band Room.

YMS ANNUAL TALENT SHOW

Please join us for the Annual YMS Talent Show!

This final performance for the YMS Choirs will be held on Tuesday, May 2 in the York High School Theater at 7:00 p.m. Admission is free! We're looking forward to another great show. We have many great dance, voice, and piano solo's along with some comedy routines. The Expression's will sing, as well as, the 6th, 7th and 8th grade choirs. You won't want to miss it.

All students who are involved in **small acts** have a MANDATORY dress rehearsal on Friday, April 28th from 3:30-5:00 p.m. in the York High School Theater. This is our one rehearsal with the sound and light crew.

PHYSICALS

Nebraska requires *all* seventh grade students have a physical examination by a qualified doctor, Physicians Assistant or Nurse Practitioner. Seventh grade physical forms *must be* turned into the middle school office by October, 2017.

Seventh and eighth grade students participating in sports need to turn in their physical and parental consent forms *before the first practice begins*. Forms are available in the office or online at <http://www.yorkpublic.org> under the "Health News" tab.

We suggest that you call early to make the appointment after May 1, 2017 for the 2017-2018 school year.

If you have any questions about physicals, please call the middle school and ask for Donelle Ellison, RN. Thank you.

REPORT CARDS

Report cards will be mailed the week of May 29. If you have any questions please contact the middle school office.

LAST DAY OF SCHOOL

May 17 will be our last day of school. We will have a **noon dismissal**. The staff and administration want to wish both the students and parents a safe and enjoyable summer.

LUNCH BALANCES

Please have your son/daughter check on their lunch account balance. If possible, any negative lunch balance needs to be paid by Wednesday, May 10 and *must be* paid before checking out of school for the summer break. Any positive balances will remain in your child's account and will carry over to next year.

Eighth graders heading to York High School will have their balance transferred to the high school. If you're moving and need the money in your account refunded, please let us know. Thank you!

OVERDUE LIBRARY BOOKS

There are still some students who have overdue library books to turn in. As we approach the end of the school term it is important to return *all* overdue books. ALL STUDENTS must have library books returned and fines paid by May 10 in order to participate in A.A.G.D.

Parents, please assist us in seeing that *ALL SCHOOL BOOKS* are returned by **May 16** as some fines can be very costly for lost or unreturned books. Thank you so much for your cooperation.

SAVE SAVE SAVE

Remember to keep saving those General Mills Box Tops, Campbell's labels, and Our Family labels through the summer and send them to school in the fall with your son/daughter.

We really appreciate your continuing support of this project.

For all students requiring transportation during the 2017-2018 school year:

Attached to this newsletter you will find a REGISTRATION FORM for the 2017-2018 school year. **Registering your child or children is a yearly responsibility and all who ride MUST register. Routes for over 500 students, including stops and times, are designed based on the information we receive by the deadline.** Please fill out and return to your child's school* no later than **JULY 7, 2017**. Any registration received AFTER this deadline WILL NOT be eligible for or receive transportation during the first week of school. Please note that **ALL school registration nights are after this date and those who choose to register at Back to School night will NOT be eligible to ride until August 23rd.**

For those that pre – register:

Stop information will be printed on a bright blue card that will be placed in your child's Back to School folder or packet. This card is for you to keep. If you receive a bright blue card in your packet, you will **NOT** need to stop at the Transportation Department table on Back to School night.

On the first day of school, color cards will be handed out to all students K – 12 who registered prior to the deadline. This card displays your child's name, teacher or building, and stop location. **Any student not possessing a bus card will not receive transportation** and will be sent back into their school and allowed to call their parent. Any registrations received after July 7th, will be contacted by the Transportation Department and informed of their start date. If you have any questions, the Transportation Department can be reached at 402-362-1988. Thank you for joining us in our efforts to make the first days of school run smoothly at route times.

*Registrations turned in after the last day of school may be sent to the District Office:

York Public Schools
Attn: Transportation Dept.
1715 N Delaware
York, NE 68467

York Public Schools has launched a new electronic flyer communication tool called "Peachjar." To view school-approved eflyers, simply click the Peachjar button on your school's website homepage.

No action is required on your part. You will receive a welcome email from our service provider (Peachjar) that includes a username and password. This is provided to give you the opportunity to manage your account and flyer delivery preferences. You do not need to login to receive or view school eflyers.

To ensure smooth delivery of this communication, we suggest you add school@peachjar.com (or your district's selected "from email address") to your email contacts. When you receive your first eflyer, be sure to click "always display images."

Located on peachjar are many flyers for summer camps as well as Summer BOOST/ALL-STARS program registration forms.

8th Grade Recognition May 17, 2017

The last day of school is May 17 with a 12:00 noon dismissal. We will be honoring our eighth grade student body at 11:00 a.m. Parents and grandparents are invited to attend this event.

OFFICE USE ONLY

DRIVER: BUS #: TIMES: STOP:

END OF THE YEAR REMINDERS FROM THE HEALTH OFFICE

Parents of 6th graders soon to be 7th graders: It is a Nebraska law and school requirement that students going into 7th grade have a well-child physical and be updated on their immunizations. The 7th-grade physical forms are the same ones used for sports physicals. Most students going into 7th grade will need a booster of Tetanus, Diphtheria, and Pertussis which is a combination of 1 shot. Other immunizations you may want to consider, that are recommended but not required are: Meningitis – series of 2 shots, Gardasil – series of 3 shots and Hepatitis A. Attached is a schedule and times available at our local immunization clinic to help clarify. Please start this summer on these requirements as they are required at the beginning of the year. You may turn in your forms and proof of immunizations anytime this summer. Forms are available at the middle school office or they are available on line now under the “Health News” tab.

Parents of students that are going to play a sport next year: ***Your child will be required to have the appropriate forms completed before the first day of practice for their sport.*** The forms are available at YMS or YHS and also on the school web-site under the “Health News” tab. The packet consists of: Insurance Form, NSAA Consent Form, Medical Clearance Form, Physical Form and Physical History Form. ***All forms and current health insurance is required to participate in the first practice.*** There will be health insurance available for you to buy through the school in August if you choose to do so. If you have difficulty getting health insurance please contact the nurse to see if she can assist. Sports physicals have to be completed after May 1st.

Parents of students with chronic illness, Asthma (use an inhaler or nebulizer), severe allergies or Seizures: Please make contact with the school nurse right away when we return to school next August to discuss the health concerns of your child. A nurse should be available at each school on “Back to School Nights” with health plan forms. It is necessary to have medical plans in place to keep your child safe while at school. We would like to talk with parents about what is needed at school should your child have a medical episode so we are prepared with proper medication or treatments as needed. The summer is a great time to schedule well-child physicals, dental and eye exams. Check to see if your insurance covers these exams under the preventative benefits.

YPS is going Nut Safe next year so please be aware of the foods you send to school. More information to come in the August newsletter explaining what Nut Safe means to you.

SUMMER TIPS

Protection from mosquito and tick bites. Use an insect repellant containing DEET, picaridin, oil of lemon or eucalyptus. Wear clothing that protects you from the bites and check for ticks often. Learn how to remove ticks the right way by following this link: http://www.cdc.gov/ticks/removing_a_tick.html

Provide sunscreen for your child and remind them to reapply. This will help prevent skin cancers and wrinkles when they get older. (Something they will thank you for later). Also, remember to protect eyes with sunglasses that have UV protection as the sun damage today is linked to cataracts when we get older.

Stay hydrated with WATER! Increase your fluid intake, regardless of your activity level. Don't wait until you're thirsty to drink. During heavy exercise in a hot environment, drink two to four glasses (16-32 ounces) of cool fluids each hour.

Encourage healthy snacking this summer. Have fresh fruits and vegetables available and ready to grab. Snacks with protein will help you feel less hungry longer. Limit carbohydrate snacks or those with a lot sugar.

Encourage outdoor time – away from technology!!!!

IMMUNIZATION INFORMATION 2017

Home Care Plus, Inc. is available to provide child immunizations from birth through age 18. The clinics are currently held on the second Monday of every month. Clinics are held in the **West View Medical Building** located at 2319 N. Lincoln Avenue in York, NE. (If this schedule does not work, the staff will work with you to come to the office for immunizations.)

We request a \$15.00 administrative donation per child to cover costs; however, if a family is unable to pay the entire \$15.00, the child will still be able to receive his/her shots with no questions asked.

An appointment is also requested, but not required. Parents can call to arrange an appointment by calling **362-2566**, Monday thru Friday from 8:00 AM-4:30 PM.

Below is a recommended vaccine schedule, which is approved by the CDC (Centers for Disease Control) and the ACIP (Advisory Committee on Immunization Practices).

Birth	2 Months	4 Months	6 Months	12 Months	18 Months	4-6 Years	11-18 Years
	Pentacel	Pentacel	Pentacel			Polio	
					DTap	DTap	TDap Booster
	Pnuemococcal	Pnuemococcal	Pnuemococcal		Pnuemococcal		Meningococcal**
				MMR & Chicken Pox		MMR & Chicken Pox	
				Hepatitis A**	Hepatitis A**	Hepatitis A*	Hepatitis A*
			Flu** (6 months-18 years) → → → → → → → → → →				
	Rotavirus	Rotavirus	Rotavirus				
Hepatitis B	Hepatitis B		Hepatitis B				
							Gardasil**

* May be obtained at this age if not completed at earlier date

**Highly recommended, but not a required vaccine for school or daycare

--Pentacel is a combination vaccination of Hib, Diphtheria, Tetanus, Pertussis, & Polio in infants

IMMUNIZATION SCHEDULE 2017

****Schedules may be extended or reduced dependent on appointment scheduling needs**
