York Public Schools is participating in the USDA’s waiver which allows schools to operate the Seamless Summer Option (SSO) for School Year 2021-2022. Your student will receive meals at no cost for the entire 2021-2022 school year. Although your student will be receiving meals at no cost, completion of the application is important for the following reasons: P-EBT Benefits:, Fee Waivers and Health Insurance:, School Benefits. Important: Your student(s) will continue to receive meals at no cost for the 2021-22 school year regardless of the eligibility determination of your household’s SY2021-22 application.

PEANUT/NUT SAFE SCHOOL

Last year York Public Schools chose to become a Peanut / Nut safe school. This means that we all need to be aware of those students and staff that may have any allergy so severe it could be life threatening and could cause death. We want to keep everyone safe so please be mindful when bringing food into the school, never share food with others, wash your hands before and after eating anything with peanuts/peanut butter or other types of nuts. When possible we ask that you contain food to your area that others may be allergic to and clean up your area with soap and water or wipes in rooms.

Athletes must have a sports physical and parent permission form completed and turned into the office in order to participate in a sport.

YMS offers “After School Clubs” after school Monday –Thursday You must pre-register at York Middle School.

Come to the office to get more information and pick up a registration form.

Monday- “Math & More” On Mondays, we will focus on Math for kids that need extra time to work on it, but for those who do not we will be playing games and doing fun activities.

Tuesday- “Music and Beyond” On Tuesdays, our focus is on Band. Our time has been packed with lots of fun but some kids are not in band, so we have lots of other activities planned as well.

Wednesday- “Crazy Cool Club” This club will change every 10 weeks. We will have a new club and new experiences from Robotics Club to Art Club to Decks and Dice Club. They will be learning how to code robots and create online games, we will also learn to draw new things or art crafts or even some woodworking, lastly we will be learning new games and creating our own board games for friends to try.

Thursday- “ Loving life” Life Skills Thursday is where we will be cooking things like French toast or pancakes, playing games like Clue, Life or Minute to Win It, and diving into fun Science experiments.

Staff Commons Duty
