

## NEWS FROM THE COUNSELOR'S OFFICE

- **Blue Valley Community Action (BVCA) Partnership** is now accepting applications for the 2021-2022 BVCA Partnership Scholarship (those attending a four-year school – valued at \$1,000), the BVCA Partnership Vocational Scholarship (those attending a two-year school – valued at \$1,000) and the BVCA Partnership SCC Scholarship (those attending SCC – valued at \$1,000). Applications can be found on-line at [www.bvca.net](http://www.bvca.net) OR you may obtain an application in the counseling office. Three you may obtain an application in the counseling office. Three required letters are required. These scholarships are based on financial need guidelines and student must be living in the BVCA service area. Deadline March 1, 2022.

**ACCUPLACER TEST** will be given at YHS on Wednesday, Nov. 3. This test is needed for community college acceptance and class placement. It is also a way to achieve required scores to take some SCC dual credit courses your junior/senior years at YHS. Please sign up in the Counseling office. Visit with the Counseling office staff if you have any questions.

-**ASVAB Testing** – Sophomores, juniors and seniors who are interested in taking the ASVAB test, which is the military aptitude test as well as a great career exploration and planning tool, it's coming up soon at YHS. There is no fee for this test. You can take it for the career-related results or for future military opportunities. Students are encouraged to sign up in the counseling office for the October 27 test by Monday, Oct. 25. This will be held from 8:30-11:30 AM.

-**DUAL CREDIT TUITION PAYMENTS** are due soon. The deadline at SCC is Oct. 29. The deadline at Peru is November 1. Contact Mrs. Stuhr if you need assistance with the steps to online payments for SCC. Also several students still owe YHS material fees. Mrs. Stuhr has emailed those reminders to students.

**A Creighton University** representative will visit YHS on Thursday, Oct. 28, during 8th period (2:35 PM). Students interested in learning more about Creighton should please sign up in the counseling office. Also remember to pick up a "college rep excuse pass" when you sign up.

-**Seniors:** Reminder that your 'final copy' RESUME should be turned in to Mrs. Stuhr in the Counseling Office.

**HAGAN Scholarship** – must enroll at an eligible four-year college or university the first semester following high school graduation, have earned a 3.75 high school GPA and be in the top 20% of class. Must also work a minimum of 240 hours prior to the start of each academic year. This award can be up to \$6,000 per semester, and it is renewable. FAFSA EFC must be less than \$6,500. Applications can be downloaded at [haganscholarships.org](http://haganscholarships.org) Deadline is Dec. 1, 2021.

-A **Wayne State College** representative will visit YHS on Tuesday, Oct. 26, during 4<sup>th</sup> period (10:28 a.m.). Students interested in learning more about Wayne State should please sign up in the counseling office. Also remember to pick up a "college rep excuse pass" when you sign up. Juniors and seniors are welcome!

**Answer to Question of the Day: (F)**

The first part of the document discusses the importance of maintaining accurate records in a laboratory setting. It emphasizes the need for clear labeling and consistent documentation to ensure the reliability of experimental results. The text also touches upon the ethical considerations involved in the use of laboratory animals and the importance of adhering to established protocols.

In the second section, the author delves into the specific techniques used for data collection and analysis. This includes a detailed description of the experimental setup, the variables being measured, and the statistical methods employed to interpret the data. The author provides a step-by-step guide to these processes, ensuring that readers can replicate the study if necessary.

The final part of the document is a conclusion that summarizes the key findings of the research. It highlights the significance of the results and offers suggestions for future studies. The author also includes a list of references to the scientific literature that informed the work, providing a comprehensive overview of the current state of knowledge in the field.
