Peanut/Nut SAFE SCHOOL Last year York Public Schools chose to become a Peanut/Nut Safe school. This means that we all need to be aware of those students and staff that may have any allergy so severe it could be life-threatening and could cause death. We want to keep everyone safe so please be mindful when bringing food into the school, never share food with others, wash your hands before and after eating anything with peanuts/peanut butter of other types of nuts. When possible we ask that you contain food to your area that others may be allergic and clean up your area with soap and water or wipes in the room.
