YPS has been approved to offer free breakfast and lunch to all K-12 students through the COVID relief fund. Starting Thursday, September 24th, all K-12 students can receive one free breakfast and one free lunch. Students do not have to take the free meal and can purchase a la carte items if they choose. Second meals or any extras are not approved under this waiver and are the parent/guardian's responsibility. This waiver will end December 22nd or before, if the relief funds run out. No application is needed for the free meals as all students automatically qualify.

PEANUT/NUT SAFE SCHOOL

Last year York Public Schools chose to become a Peanut / Nut safe school. This means that we all need to be aware of those students and staff that may have any allergy so severe it could be life threatening and could cause death. We want to keep everyone safe so please be mindful when bringing food into the school, never share food with others, wash your hands before and after eating anything with peanuts/peanut butter or other types of nuts. When possible we ask that you contain food to your area that others may be allergic to and clean up your area with soap and water or wipes in rooms.

Athletes must have a sports physical, parent permission form and insurance information completed to the office in order to participate in a sport.
