Peanut/Nut SAFE SCHOOL

Last year York Public Schools chose to become a Peanut/Nut Safe school. This means that we all need to be aware of those students and staff that may have any allergy so severe it could be life-threatening and could cause death. We want to keep everyone safe so please be mindful when bringing food into the school, never share food with others, wash your hands before and after eating anything with peanuts/peanut butter or other types of nuts. When possible we ask that you contain food to your area that others may be allergic and clean up your area with soap and water or wipes in the room.

ALL YMS students need to have a signed student handbook form and Tylenol permission form turned into the office by Sept 6.

**YMS offers “After School Clubs” after school Monday-Thursday beginning August 26
You must pre-register at York Middle School.**

Come to the office and get more information and pick up a registration form.

Additionally, they will be working on 4-H geared craft projects on Mondays. Tuesdays will be teacher choice of a STEM activity, escape room, fitness, merge cubes, and much more. On Thursdays we work on sportsmanship and social skills while playing all sorts of games.

Deadline for Lunch Applications- These forms need to be turned into the YMS office no later than September 25 or your family status will be changed to denied.
