### **FROM THE PRINCIPAL'S OFFICE —**

The end of the 2018-19 school year is here. It seems that only a few short months ago we were welcoming new 9<sup>th</sup> grade students and their families to YHS. The YHS staff has seen tremendous growth in many students this year. We've worked hard challenging each student to be a great person and a responsible student. As this building transitions to a new year and a new administrative team, I'm confident your student is surrounded by very dedicated professionals.

York High School will have several new faces during the 2019-20 school year.

- Jason Heitz – YHS Principal – Jason is currently the 7-12 Principal at Wakefield Public Schools
- Tyler Herman – YHS AP/AD – Tyler is currently the AP/AD at Gothenburg Public Schools.
- Levi Loofe – Technology – Levi is currently the technology teacher at Valentine High School
- Rachelle Allen – Rachelle is currently student teaching at York High School

We're excited to bring in these talented educators!

One important group of people at YHS that I want to make sure I recognize is our support staff. We have a lot of dedicated people that come to work every day to help all our students. All our para-educators, school cooks, bus drivers, maintenance staff, and administrative assistants are part of the YHS team and do an excellent job. Without them, we would not be able to provide as many opportunities as we do.

As I transition to the York Superintendent, I want to thank all of you that have helped and supported me along the way. It's been an honor to be the principal at York High School and I'm very excited to replace one of my mentors. We have some challenges ahead of us, but we will continue to be resilient and find ways to support all students.

# COUNSELING NEWS

## **FINAL TRANSCRIPTS**

Seniors have completed a form stating where they need their **FINAL** transcripts sent, and we will send those out when all grades are entered. Seniors who took **COLLEGE COURSES** will also need to request transcripts from **Peru, SCC and/or NCTA to transfer those credits to their college**. The high school transcript does not qualify as documentation. There is a link on the Counseling page of [www.yorkpublic.org](http://www.yorkpublic.org) to request the Peru transcripts. Students go through the hub for the SCC transcripts (or come to Counseling office to complete a paper request form). Transcripts from Curtis (NCTA) may be obtained by going to their website [ncta.unl.edu](http://ncta.unl.edu), current students, academic resources, transcript request. NOW is the time to request these. Be sure to write "when classes are complete" on the request to the college if you are in a class this current semester.

## **COLLEGE PLANS AND THE ACT TEST:**

Next year's seniors planning to attend ANY college should take the ACT test not only for entrance but for scholarship competition. If cost is a deterrent, FEE WAIVERS are available for those who qualify for free and reduced lunches or have other financial hardship. Each student is allotted a total of two waivers to be used for any test in any year. The counseling office can help students with this, and it is completely confidential.

Future seniors should take the JUNE, JULY, SEPTEMBER and/or OCTOBER tests if they want to try to achieve scores that would make them eligible for Honors Programs or Regents scholarships, which have November deadlines. The Horatio Alger scholarship and the National Coca-Cola scholarship have a late October deadline.

The first fall test date will be in **SEPTEMBER**. (ACT has not yet published their official notice of testing dates for 2019-20.) The registration deadline will probably be early August. If questions, you will have to check the ACT website closer to that date. Registration is done online at [www.act.org](http://www.act.org) using the high school code 282-590.

### **TEST DATE**

JUNE 8  
JULY 13

### **REGISTRATION DUE**

MAY 3  
JUNE 14

## **IMPORTANT REMINDERS**

When students register for the **ACT or SAT** it is VERY IMPORTANT to **include our high school code (282-590)** to ensure that we receive a copy of the score for their transcript. If the score is not on the transcript, colleges will require the score be sent directly from ACT. ACT charges a fee for this service, per college. This code is also on the school website at [www.yorkpublic.org](http://www.yorkpublic.org)

**PLEASE NOTE: UNL and UNO** no longer accept scores from high schools, they must be sent **directly** from ACT so it's important to record the **UNL code (2482) and/or UNO code (2464)** on the ACT registration if considering UNL or UNO.

**NCAA AND NAIA:** If considering playing college sports, scores must be sent directly to the NCAA and NAIA, as well. These codes, **NCAA: 9999** or the **NAIA: 9876**, must be recorded in the college choice section of the ACT registration form. Remember to also register online with the NCAA and/or the NAIA. This is a separate step you need to take to be ready to play college sports. Students can do this in their junior year AND must let the counseling office know so they can send your transcript to these places.

## **COLLEGE FINANCIAL AID**

Juniors should start their college planning soon. The EducationQuest Foundation, with locations in Kearney, Lincoln and Omaha, will help you plan your education path. The following computer programs can also help you with the planning process and can be accessed by visiting their website at [www.educationquest.org](http://www.educationquest.org).

**College Selection Service** - This program suggests schools that match your interests and needs.

**College Funding Estimator** - This program estimates your federal financial aid eligibility and aids in filling out the FAFSA later.

**Scholarship Search** - This will provide you with a list of private scholarships for which you may qualify. *(Check this list during the summer months as some scholarships have very early deadlines.)*

## **SUMMER SCHOOL CLASSES REMINDER**

Summer School will be held at the York Public Schools Enrichment Center June 3-28, 2019, to retrieve and/or make-up credits failed or not completed during the school term 2018-19. There will be two sessions each day at the enrichment center, 8:00-11:00 a.m. and 12:00 (noon)- 3:00 p.m. YHS students failing a first semester required course and qualifying for summer school will receive a letter and enrollment form to be filled out and returned to the counseling office as soon as possible. The fee for summer school is \$100 or a waiver if your family qualifies for free/reduced lunch program.

If your student is failing a second semester required course please encourage them to work harder and raise it to passing. If you have questions or want further information please call 402-362-6655, option 2 and ask for Dana Schmid or email [dana.schmid@yorkdukes.org](mailto:dana.schmid@yorkdukes.org)

## **CONGRATULATIONS!**

Congrats to all students who received awards and scholarships on Honors Night 2019! Nearly eighty percent of the senior class received one or more scholarships. So far, the class of 2019 has received 3.4 million dollars in scholarships. We are so proud of our students and wish them great success with their future plans. Reminder to seniors – if you receive outside scholarships and haven't notified the Counseling office, please let us know so we can include this information in the graduation program. **Thanks, Class of 2019, for being great leaders at YHS and showing those who follow what exciting things can happen with hard work!**

## **JUNIORS (SENIORS-TO-BE)**

Now is the time to schedule campus visits to colleges in which you are interested. You can also start looking for scholarships at ScholarshipQuest at [educationquest.org](http://educationquest.org). In the fall you will create a resume'. Educationquest also has an "Activities Resume" which is a very useful tool to gather all of your information on extracurricular activities, honors, awards and part-time jobs. A jump-start now on your senior year can be a great thing.

The York Duke Youth Football organization will once again make Pee Wee tackle football available to all boys in grades 4<sup>th</sup>-6<sup>th</sup> in the 2019-20 school year. The York Duke Pee Wee tackle football team will be a competitive youth football team that will compete in the Blue Valley football League

Even though this is a competitive league a very high stress will be placed on player safety, FUN, and character development. The main goal that our coaches have is to help the child develop a love of football and make them want to play again next year. This team will also be using the same schemes that the York high school and Jr high teams run, so it will prepare them for high school and Jr high football very well.

Character development will be stressed on a daily basis and your sons will be taught themes such as loyalty, work ethic, integrity, and manners. These are themes that we take very seriously, and feel they are just as important as football lessons and techniques that they will acquire.

Your child will be taking part in a competitive environment working hard and learning valuable life lessons in a safe environment. **THIS WILL BE A POSITIVE EXPERIENCE FOR YOUR SON!** Every player will play in every game, but the playing time may not be equal.

Our 6<sup>th</sup> graders will play a full 5 game "varsity" schedule in our league, and our 4<sup>th</sup> and 5<sup>th</sup> grade team will play a 5 game "JV" schedule. In JV games priority will be placed on the 5<sup>th</sup> grade team as 4<sup>th</sup> grade is a "learning year." **ALL PLAYERS WILL PLAY IN EVERY GAME BUT PLAYING TIME MAY NOT BE EQUAL.**

Pad Check out will be Sunday August 4<sup>th</sup> at 6:00 PM at the high school track\ practice field, and the first practice will be Tuesday August 6<sup>th</sup> at YHS practice field. Practice will begin at 6:00 pm on Tuesdays and Thursdays with ending time and potential 3<sup>rd</sup> practice determined by coaches and communicated at parents meeting August 4<sup>th</sup>. Games are always on Sunday afternoons. We will have a parents meeting on Sunday August 4<sup>th</sup> at the high school practice field after pad check out to discuss the season.

Coaches for 2019 will be Troy Rowe, Matt Gilliland, and Robert Dirks with other volunteers as well.

See you in the fall!
