We look forward to the coming school year at York Public Schools as Lunchtime Solutions continues to provide the food service program. The purpose of this communication is to provide you with an overview of the school food service program this year. If you have any questions or comments about our program, please feel free to contact Kristi Oksendahl, Area Director, at 816-878-5230 or k.oksendahl@lunchtimesolutions.com. For your convenience, our menu is posted monthly on the school website. Lunch and breakfast prices are listed below, along with extra entrée prices and extra milk prices.

School Breakfast

Breakfast is served in the dining areas of all schools before school starts. Please encourage your student to participate in school breakfast. Research studies show that eating breakfast can help students perform better in the classroom.

Second Chance Breakfast - Middle school students have the option of selecting this "Grab & Go" meal which includes a choice of 3 entrées daily as well as juice, fruit and milk options.

School Lunch

School lunch will offer a wide variety of choices for students. Elementary students have three entrée choices daily; Middle School students are offered six choices daily and High School students are offered twelve choices daily. All meals include an entrée choice, a hot vegetable, plus the unlimited Fruit & Veggie Bar, and milk choices.

Offer Vs. Serve

We utilize the Offer vs. Serve Program for all grade levels to provide students variety and choices in their meal service. This allows the student to decline options they do not prefer, but still provide a healthy meal that meets federal nutrition guidelines.

MY LUNCHTIME CHOICES!

Extra Entrée – Extra Milk

All Students, at an extra cost, can purchase an additional entrée or milk offered as part of the school lunch program. For example, if a student wants a second entrée, or an additional entrée, like a slice of pizza, that entrée can be selected in the lunch line and charged to the student's account. Extra entrees are only sold to students who first purchase a school lunch. Again, all students can have extra servings of canned fruit, fresh fruit, vegetables and salad from the Fruit & Veggie Bar, at no charge. The fruit and veggie bar is unlimited with the purchase of a meal. We do encourage students to be good global patrons and take what they will eat during the specified meal period. If a student is free or reduced they may receive one entrée with their meal but they must have money in their account to purchase any extra entrees.

School Lunch Account

The District's Lunch Account Policy for the 2021-2022 School allows students to charge up to \$15.00. When an account balance reaches zero all a la carte purchases will **stop**. When an account reaches negative \$15.00 all purchases will **stop**. If the student qualifies for free lunch, they still will be able to purchase a school lunch, but no extra food items will be allowed.

A Point of Sale (POS) software system is used for the school lunch program. Please note the following important information:

- Each student will have his/her own individual Student Account.
 - If sending cash with a student, place in a sealed envelope, along with the student's name and lunch account number.
 - We are not responsible for lost, unidentified, or stolen cash.
- Deposits should be turned in by 9:00 a.m. at the student's school office.

Lunch Account Deposits must be made before school starts. To ensure that your deposit is credited to your student's lunch account on the first day of school, please send your first deposit, for each student in your family, to the office of the school your student attends. Be sure to include your name, your student's name, and your student's lunch account number. Also include any changes in your address or telephone number.

Diet Modifications

Families are responsible for notifying the School Food Service if their child requires a diet modification because of a life threatening disability. A licensed physician must provide specific written medical documentation. Please contact Kristi Oksendahl, 816 878-5230 or k.oksendahl@lunchtimesolutions.com for more information.

Free & reduced meal applications may be submitted at any time during the school year but eligibility won't apply until the application is approved. Applications can be picked-up at the administration building, at each school office, or are available online at www.yorkpublic.org. Previous eligibility will carry over to **September 24, 2021**. At that time, students will revert to paid status until a current Free & Reduced application has been received and approved. ***If you are denied Free/Reduced status on your application, your child(ren) will still receive free meals through the federal waiver for school year 2021-2022.***

Join us Anytime!

Please feel free to join your child for a meal any day. The cost for an adult breakfast is \$2.40 and an adult lunch is \$4.00. Please pay for your lunch at the school office. We hope to see you there!
