**Be Safe, Be Respectful, Be Responsible**

**OCTOBER 2021**

---

Hello YMS Parents!

It has been a fantastic start to the new school year. We have a group of adults at YMS who are dedicated to helping your student(s) succeed. I am continually blown away by the commitment and dedication that our staff gives to their students. This is a great school district and I believe we have the best middle school in the state!

Students have been very busy this first part of the year. In the classroom I see students creating, collaborating, and critically thinking. Many students are involved in activities such as FFA, FCA, Teammates, Student Senate, Band, Expressions, Cross Country, Volleyball, Football just to name a few! Parents, please continue to encourage your child to become active at YMS. Students who are involved in an activity feel a connection to the school and in turn, their learning improves.

Our ICU system at YMS is in full effect and what we are seeing is certainly positive. One of the core foundations of ICU is that we stop focusing so much on grading and homework and focus on learning. You might notice that your child has fewer grades in the grade book, which is intentional. We want to focus our time on teaching and learning. There will be a measurement of your child's ability to learn the standards and that will be reported in the grade book. At YMS each teacher has a restudy/retake policy so if a student feels like they can improve their score on an assessment they can do that. Each teacher might have a slightly different way they handle these situations so if you are ever curious please set up a time to talk with that teacher.

Here are a few guidelines for the ICU philosophy:

- ICU provides extra time and extra help it doesn't allow students to fail and expects all students to complete all quality assignments.
- ICU develops a culture of learning in which teachers take responsibility for student learning and students returning to active engagement in school.
- ICU teaches students responsibility by not "letting them off the hook" and allowing a zero in the grade book or allow them to not connect with the learning.

Thank you for your support with our ICU process and for helping us partner together to ensure your child(ren) is getting the best education possible.

Have you heard your student talking about MAP's testing? What is MAP's testing? MAP is a Measure of Academic Progress which is a state-aligned computer-adaptive assessment test. Once teachers receive students' MAP scores they are provided with information that can develop targeted instruction and improve teaching and learning in the classroom. Basically, teachers have a better idea of where each student "is" and "where they need to go". These scores were shared and discussed with you at Parent-Teacher Conferences.

Speaking of PTC. Thank you for your attendance at conferences and for talking with teachers about how your student(s) are doing so far this school year. Conferences were on Sept. 22-24. If you missed conferences for any reason please feel free to email your child's teachers. All email addresses can be found on the school's webpage [yorkpublic.org](http://yorkpublic.org). Kids and teens do better in school when parents are involved in their academic lives.

Thank you for working with your student to make sure they are not only getting their schoolwork finished but also enough sleep, food, and love so that together we can make the 6,7, and 8-grade years some of the best years of their life.

Go, Dukes!  
Kenny Loosvelt

## Congratulations to the 2021-2022 YMS Student Senate Members

### 6th Grade

Birkley Gray  
Kendyl Hirschfeld  
Rachel Holthe  
Rosie Kennedy

### 7th Grade

Colt Eimermann  
Calleigh Lones  
Peyton Miller  
Troy Schmid

### 8th Grade

Brody Booth  
Logan Davis  
Ava Goodwin  
Maggie McCarthy

### **SCHOOL PICTURES**

YMS will have school pictures taken on Wednesday, October 6, by Jack Martin Studios. We will remind students in the daily announcements of the pictures and what would be appropriate apparel for the best photo.

If your student is missing a coat, hat, gloves, lunch box etc. please advise them to visit our lost and found! Due to the high amount of items that are collected, we will be donating unclaimed items at the end of each month. Items left on the bus can be found at the Bus Barn in their lost and found department.

October

School Counselor Connection

School is the place where students encounter the bulk of their social interactions, challenges, and opportunities for personal growth. Research shows that providing consistent, purposeful, and robust Social Emotional Learning programs can benefit students in multiple ways.

At York Middle School, our students participate in the Second Step program every Tuesday during Family time. This curriculum helps build a culture of connectedness and empowers middle school students with the skills to succeed socially and academically.

We have started with the unit Mindsets and Goals. During this unit, students will learn how to develop a growth mindset and apply research based goal-setting strategies to their social and academic lives. The other units throughout the year include:

- Recognizing Bullying and Harassment: Students learn how to recognize bullying and harassment, stand up safely to bullying, and respond appropriately to harassment.
- Thoughts, Emotions, and Decisions: Students learn how to recognize strong emotions and unhelpful thoughts, and apply strategies to manage their emotions and reduce stress.
- Managing Relationships and Social Conflict: Students learn strategies for developing and maintaining healthy relationships, perspective-taking, and dealing with conflict.

Students who receive social-emotional interventions early and throughout their learning careers demonstrate impressive and measurable benefits later in life. At YMS, we are excited to provide students with social-emotional learning opportunities. Every Tuesday evening, be sure to ask your child what they are learning during the Second Step lessons.

Jennifer Badura  
YMS School Counselor

## Yorkfest Marching Competition Ratings

A Superior (I) Rating from judge Kevin Koopman, an Excellent (II) rating from judge Dick Keiser and a "2<sup>nd</sup> Place Class A" trophy at Yorkfest was an excellent beginning for our Middle School Band's marching season. The band also enjoyed performing for this year's "Homecoming Spirit March" in downtown York. Congratulations to our 7<sup>th</sup> and 8<sup>th</sup> grade marchers on a successful season!

## Marching Band Highlights Concert

**Monday, October 25<sup>th</sup>**

This year's 6<sup>th</sup> grade band's first performance, the 7<sup>th</sup> and 8<sup>th</sup> grade Marching Band and Drumline along with the Senior High Band, Drumline, and Flag Squad will all be featured at this concert in the High School Gymnasium at 7:00 p.m. You won't want to miss the 6<sup>th</sup> grade band parents' selection—we'll find out how well the students are able to teach their parents. Please plan to come out and see all of York's Band members in action!

## YMS Fall Choir Concert

The first concert for the middle school ensembles is just around the corner. This concert will be on Monday, October 18<sup>th</sup> at 6:30 pm at the York High School Theater. This is a concert consisting of York Middle School's 6<sup>th</sup> grade choir, 7<sup>th</sup> & 8<sup>th</sup> grade choir and Expressions. This will be a great opportunity for you to hear what the students have been working on throughout the first quarter. All choir students are required to be at this performance. (High School ensembles will have a concert beginning at 7:30 pm)

*Please note: middle school (6:30pm) and high school (7:30pm) ensembles will have separate performances with different start times.*

## Concert Dates for 2021-2022

Monday, October 18 – 6:30 pm – YMS Fall Choir Concert  
Monday, December 13 – 6:30 pm – YMS Christmas Choir Concert  
Thursday & Friday, March 17 & 18 - 7:00 pm - YMS Musical  
Thursday, May 5 - 7:00 pm – YMS Talent Show

## 2021-2022 YMS Robotics at YMS

The YMS Robotics Team provides a competitive element with teams working on bots to take to competitions in the Spring Semester outside of school hours, usually on Saturday's. *A practice schedule will be given out at the first practice but students should be aware that practices will be scheduled for almost every Tuesday at 4 pm, and occasionally on Wednesdays when the competition dates come closer.*

During our practices, students will master the ideas and concepts behind the engineering design process and be able to apply and implement them on every project they encounter to create student-generated solutions to multiple problems and engineering challenges. Through work on their competition bots, students will have an opportunity to learn basic programming concepts and implement those concepts through the design, construction, and programming of a working robot. Further information about Lego FIRST can be accessed on their website (<https://www.firstinspires.org/robotics/fll>) or by reaching out to Mrs. Kavan.

Students who are chosen for the YMS Robotics Program, will be required to attend all team sessions, work hard with their assigned group, cooperate, and be respectful with all participants and adults and be a worthy ambassador for the YMS Robotics program at all public events.

Students should be aware of the basic concepts and goals of VEX Robotics as well as understand that they will be in assigned teams for all competitions. If you have any questions about the YMS Team, competitions, or application please email Mrs. Kavan.

Thank you for your interest in the YMS Robotics Team!

Please Contact Mrs. Kavan with any questions at [elizabeth.kavan@yorkdukes.org](mailto:elizabeth.kavan@yorkdukes.org)

Any student interested in being on the team for the 2021 - 2022 school year will need to complete an application form and return it to the YMS Office.

**Application forms are due back by Tuesday, October 5, 2021.**

## Pumpkin Patch Freewill Donation

All proceeds will be going to the **Peyton Parker Lane Playground**

Are you in need of pumpkins to decorate your front porch?

You will not want to miss the Pumpkin Patch that will be taking place  
on the east side of York Middle School!

### Dates and Times

**October 14, 15, 18, 19, 20 4:00-5:00 pm**  
**October 16, 23 9:00-11:00 am**

Brought to you by YMS Student Senate, YMS Hope Squad, YMS Success, and Sixpence

# A Strong Defense Against Flu: Get Vaccinated!

**FIGHT FLU**

The best way to protect yourself and your loved ones against influenza (flu) is to get a flu vaccine every flu season. Flu is a contagious respiratory disease that can lead to serious illness, hospitalization, or even death. CDC recommends everyone six months and older get an annual flu vaccine.

## What are some key reasons to get a flu vaccine?

- Every year, flu vaccination prevents illnesses, medical visits, hospitalizations, and deaths.
- Flu vaccination also is an important preventive tool for people with chronic health conditions. For example flu vaccination has been associated with lower rates of some cardiac events among in people with heart disease.
- Vaccinating pregnant women helps protect them from flu illness and hospitalization, and also has been shown to help protect the baby from flu infection for several months after birth, before the baby can be vaccinated.
- A [2017](#) study showed that flu vaccine can be life-saving in children.
- While some people who get vaccinated still get sick, flu vaccination has been shown in several studies to reduce severity of illness.

## Why is it important to get a flu vaccine EVERY year?

- Flu viruses are constantly changing, so flu vaccines may be updated from one season to the next to protect against the viruses that research suggests will be common during the upcoming flu season.
- Your protection from a flu vaccine declines over time. Yearly vaccination is needed for the best protection.

**U.S. Department of  
Health and Human Services**  
Centers for Disease  
Control and Prevention

## What kinds of flu vaccines are recommended?

There are several licensed and recommended flu vaccine options this season:

- Standard dose flu shots made from virus grown in eggs.
- Shots made with adjuvant and high dose for older adults.
- Shots made with virus grown in cell culture instead of eggs.
- Shots made using a recombinant vaccine production technology that does not require the use of a flu virus.
- Live attenuated influenza vaccine (LAIV, the nasal spray vaccine), which is made with live, weakened influenza viruses. It is an option for people 2 through 49 years of age who are not pregnant.

## Is the flu vaccine safe?

Flu vaccines have a good safety record. Hundreds of millions of Americans have safely received flu vaccines over the past 50 years. Extensive research supports the safety of seasonal flu vaccines. Each year, CDC works with the U.S. Food and Drug Administration (FDA) and other partners to ensure the highest safety standards for flu vaccines. More information about the safety of flu vaccines is available at [www.cdc.gov/flu/protect/vaccine/vaccinesafety.htm](http://www.cdc.gov/flu/protect/vaccine/vaccinesafety.htm).

## What are the side effects of flu vaccines?

**Flu shots:** Flu shots are made using killed flu viruses (for inactivated vaccines), or without flu virus at all (for the recombinant vaccine). So, you cannot get flu from a flu shot. Some minor side effects that may occur include soreness, redness and/or swelling where the shot was given, low grade fever, and aches.

**Nasal spray flu vaccines:** The viruses in nasal spray flu vaccines are weakened and do not cause the severe symptoms often associated with influenza illness. For adults, side effects from the nasal spray may include runny nose, headache, sore throat, and cough. For children, side effects may also include wheezing, vomiting, muscle aches, and fever.

If these problems occur, they are usually mild and go away on their own, but serious reactions are also possible. Almost all people who receive flu vaccine have no serious problems from it.

## When and Where to get vaccinated?

You should get a flu vaccine by the end of October. However, as long as flu viruses are circulating, vaccination should continue throughout flu season, even in January or later.

Flu vaccines are offered in many doctors' offices and clinics. Flu vaccine is available in many other locations, including health departments, pharmacies, urgent care clinics, health centers, and travel clinics. Vaccines may also be offered at your school, college health center, or workplace. Visit: [www.vaccinefinder.org](http://www.vaccinefinder.org) to find a flu vaccination clinic near you.

---
