BAND NOTES

We hosted our 21st York Middle School Honor Band on March 18th. There were 152 students and 15 schools represented. Many of the High School students helped facilitate the day and make it a productive day for the schools.

Our High School ended the Pep Band season with six games in 14 days. Thank you to the students for sharing their musical talents and their time!

York had 12 students who participated in the Conference Honor Band. It was held at Grand Island Northwest High School. They rehearsed with other conference member schools and performed a concert that evening.

Monday, April 3rd is our Band Festival Day. A Clinic will be held for the Concert Band from 1st period through 4th period. The Jazz Band will work from 5B period through 8th period. There will be a concert that evening at 7:30 pm in the Auditorium. The concert is free admission and open to the public!

On April 21st we will travel to Norris for District Music Contest. Information regarding the performance time will come out as we get closer to the event.

Thank you for your support of the Band program!

NOTES FROM THE NURSE

April is National Distracted Driving Awareness month. Focus Driven, the first nonprofit organization devoted to combating distracted driving and supporting victims of distracted drivers, was created in 2010. An Omahan, Rob Reynolds, served on the board of directors at this time. His 16 year-old daughter was killed as the result of an auto accident when her vehicle was struck by another driver who was distracted. Rob and his wife set out on a mission to divert other teens and adults from driving while distracted.

It is estimated by the National Safety Council that at least 28 percent of all traffic accidents are caused by drivers using cell phones and texting. While we likely think of cell phone use when we hear the word distracted driving, the CDC lists 3 categories:

Visual - to look at something in the scenery, someone in the backseat or something on a screen in the vehicle

Manual - taking your hands off of the wheel--to eat, to pick something up off of the floor, to fix hair or apply make-up

Cognitive - taking your mind off of your driving by daydreaming or planning for the rest of the day

Some things to consider:

- Use of electronic devices and cell phones involve all 3 types of distraction
- Statistically, people who text and drive spend 10% of their driving time outside of their lane
- Laws prohibit texting and driving in 43 states in the U.S., including Nebraska
- Texting increases the risk of a crash or near-crash by 23 times, with driver distraction being responsible for more than 58% of teen vehicular accidents
- Nearly 80% of drivers admit to hazardous behaviors while behind the wheel, including changing clothes, steering with a foot, or reaching for something other than the steering wheel
- While reading or sending a text message, your eyes will be off of the road for about 5 seconds, which, at 55 mph is long enough to cover the length of a football field. What happens at 75 mph?

Whether you are a parent or a teen driver, be a role model. Don't text, talk on the phone or eat while driving. Make the decision to not ride with others that drive while distracted. Silence devices, put them out of reach and wait to check for messages until you are safely at your destination, and always buckle up!

COUNSELING CENTER NEWS

HONORS NIGHT / SENIORS AND PARENTS

Honors Night will be held on Monday, April 17, at 7:00 pm. If your student has received college scholarships and/or is planning to go into the **MILITARY** (**including National Guard**), please let us know so we can include them in our program. Colleges and other organizations do <u>not</u> always let us know about these and we want to honor those students for their accomplishments.

AFTER HONORS NIGHT

After Honors Night, seniors will be sent important information on how to collect their scholarship funds. An e-mail will be sent to each student via their <u>personal</u> email. (If a parent wishes to also receive this e-mail, please notify Deb Stuhr at <u>deb.stuhr@yorkdukes.org</u> requesting this.) Most scholarships are paid per semester, <u>so it's important to hold onto these contacts through second semester because</u> <u>students will be asked to submit information to these committees again.</u> If you do not receive the information in a few weeks, please let the counseling office know.

Students are also required to promptly write a thank you note for each scholarship received. The

notes are provided by the Counseling office, but postage must be handled by your student.

REMINDER: SUMMER SCHOOL CLASSES FOR CREDIT RECOVERY

Summer school classes for credit recovery will be offered at the Enrichment Center again this year. This is scheduled for May 22-June 2 (Monday-Friday) from 9:00 am to noon for students who are at risk of not meeting York High School graduation requirements. Space is limited and priority will be given to first semester failures. There is a fee for attending summer school. A letter will be sent out to parents with atrisk students later in April explaining the process to follow if you want your child to take a class. If you have questions, please feel free to contact your child's counselor as soon as possible.

2023-2024 SENIORS

If you are considering college and plan to apply for scholarships, we encourage you take the June and/or July ACT test. Fee waivers for the June and July tests are available until the regular registration deadline of May 5/June 16. ACT scores from tests taken in the junior year are used for Regents scholarship competition. Seniors are also encouraged to consider the test dates in September, October and December for college scholarship consideration. Many scholarships have very early deadlines so taking those earlier tests ensures scores will be available when needed.

ACT TEST DATE

REGISTRATION DEADLINE

Saturday, June 10 Saturday, July 15 Friday, May 5 Friday, June 16

FEE WAIVERS:

Cost should never be a deterrent when it comes to college opportunities. If this is an issue for your child, please take full advantage of fee waivers available through the ACT, SAT or the NAIA and NCAA. These are available for our students who qualify for free or reduced lunches. If you would like to know if you qualify or just want to pick up a waiver, you or your student needs to come to the counseling office.

NAIA AND NCAA REGISTRATION

If you want to play sports in college, you will need to register with the NAIA (fee is charged) or the NCAA, depending on the college you wish to attend. These two organizations require ACT scores sent directly from the ACT testing center so you will need to include the NAIA code (9876) or the NCAA code (9999) in your choices of where you want your scores sent. If scores need to be sent later, there is a fee for each score sent. Please also be sure Mrs. Stuhr is aware of your college sport participation so your final transcript gets sent to these entities.

Sophomore and junior parents are invited to a meeting on Wednesday, April 12, beginning at 5:30 pm about scholarships and "what's new" for 2023-2024! (This meeting should last about 30 minutes.)

<u>INCOMING FRESHMEN – PARENT MEETING</u>

We look forward to welcoming eighth graders from YMS, Emmanuel-Faith and St. Joseph's for an orientation/tour of YHS on Wednesday, April 26, in the afternoon. On that same date, there will be a parent/student meeting at 5:30 pm in the YHS Theater.

JUNIORS STATE-WIDE ACT and SOPHOMORES PRACTICE ACT

The state ACT junior test results will be mailed directly to each student's residence. Sophomore Pre-ACT results will be distributed at school.

CELEBRATING 2023 SENIORS

We have extremely awesome seniors at York High School! Therefore, we look forward to celebrating them and their future plans with some special recognition on Wednesday, April 26. Seniors are strongly encouraged to wear a t-shirt representing the college/military/post-grad plans he/she plans to attend and stay for lunch at school that day so a class photo can be taken. We are proud of these hard-working

Senior parents, it's not too late! You can still complete the FAFSA for college for the 2023-2024 school year. Contact EducationQuest for free help or let us know if we can answer any questions.
