CHROMEBOOK - OPT OUT OPTION

I do NOT wish to opt into the York Public School 1:1 program for the 2023-24 school year. I will provide my own personal device that meets the following requirements:

- Has a full functioning, attached keyboard
- Device can be carried to and from school each day
- Can run Google Chrome and all of the Google apps and features used in the classroom
- Device will be filtered per the YPS Network firewall and settings when on campus
