YORK ATHLETIC BOOSTER CLUB NEWS

A few words from the Booster Club...

- Thanks to all our parents and teachers who braved the wind and weather and volunteered for the Yowell Track Meet at York High School on Saturday, April 20th. We had plenty of help and our students felt your support!
- Become a Booster Club Member yourself and support our student athletes as a volunteer or donor. Let any of the following committee members know if you are interested: Heather Linden, Michelle Wardyn, Nicky Eimermann, Ryan Gieck, and Derrick Forbis.
- Welcome Miranda Garrett and Jill Bathen to the Booster Club Committee! Thanks for your willingness to work in support of our student athletes.
- Most importantly, a **BIG THANKS** to our outgoing board members, Amanda Peterson, Heidi Combs, and Alan Otoupal for their 3 years of dedication to supporting our athletes! Their behind the scenes organization and cooperation has continued to build the momentum of this group.
- A reminder that the Athletic Sports Banquet is Friday, May 3rd at York High School at 6:00 pm. Please enter through the front (south) doors.
- Another big thank you goes out to Brenda Sterns, Bobby DeHart, and York News-Times for their photos for the video for the banquet. Also thank you to Layton Oberle for producing the video. It takes a lot of personal time to go out and get pictures and of each team, and then produce a fantastic video to culminate the year.
- We wish the best of luck to our Spring Sports athletes as they finish out their seasons! Duke Nation is proud of each and every one of you! Finish the year strong!

END OF THE YEAR REMINDERS FROM THE HEALTH OFFICE

Summer break is almost here! As the school year ends, there are a few details to keep in mind regarding the coming year:

- **Students transferring** to YHS from another state are required by the State of Nebraska to have a health physical and an eye exam completed within 6 months of entry, or a signed waiver. These students also need to meet the immunization requirements for the grade they are entering. Forms/information are available at the school health office and on the school website.
- Students that are going to participate in YHS athletic programs will need to have a record of a sports physical completed after May 1st, 2024 and prior to the start of practice for the sport. In addition to this, other required information includes: NSAA consent form, Activity Handbook form, medical clearance form, and a health history form. The YHS office has packets available for pick up with the forms listed.
- If your child has asthma, severe allergies, diabetes, seizures or other health concerns, please provide current information and action plans to the school health office by the first week of August for review. Forms and action plans regarding the above concerns are available through the health office and some of the forms are available on the website. These forms may require completion by your child's healthcare provider. **Medical information needs to be updated at the beginning of each school year.**
- If your student has been diagnosed with asthma or a severe allergy and is going to carry an inhaler or epipen, a completed action plan is still needed and must include a physician signature on the asthma/allergy action plan stating that the student may carry and self administer.
- If your student has a prescribed epipen, an epipen is to be provided by you for the student to be kept at school or to carry on them at all times.

****No noon medication will be administered on the last day of school, Friday, May 17th.**

****If your student has a prescription medication or an over the counter medication remaining at school health office, please plan to come to the school office to pick the medication up prior to May 28, 2024. Medication needs to be picked up by an adult. Any remaining medication will be disposed of after that date.****

COUNSELING NEWS

FINAL TRANSCRIPTS

Seniors have completed a form stating where they need their **FINAL** transcripts sent, and we will send those out when all grades are entered. Seniors who took **COLLEGE COURSES** will also need to request transcripts from **Peru, SCC and/or Wayne State to transfer those credits to their college.** The high school transcript does not qualify as documentation for dual credit. There is information on the Counseling page of www.yorkpublic.org to request the Peru and SCC transcripts. NOW is the time to request these. However, be sure to write "when classes are complete" on the request to the college if you are in a class this current semester if you do a paper request. If you do it online, please wait until the classes are completed.

COLLEGE PLANS AND THE ACT TEST:

Next year's seniors planning to attend ANY college should take the ACT test not only for entrance but for scholarship competition. If cost is a deterrent, FEE WAIVERS are available for those who qualify for free and reduced lunches or have other financial hardship. Each student is allotted a total of four waivers to be used for the ACT test. The counseling office can help students with this, and it is completely confidential.

Future seniors should take the JUNE, JULY, SEPTEMBER and/or OCTOBER tests if they want to try to achieve scores that would make them eligible for Honors Programs or Regents Scholarships, which have November deadlines.

The first fall test date will be **SEPTEMBER 14th**. Registration is done online at www.act.org using the high school code 282-590.

IMPORTANT REMINDERS

When students register for the **ACT or SAT** it is VERY IMPORTANT to **include our high school code (282-590)** to ensure that we receive a copy of the score for their transcript. If the score is not on the transcript, colleges will require the score be sent directly from ACT. ACT charges a fee for this service, per college. This code is also on the school website at www.yorkpublic.org

PLEASE NOTE: UNL and UNO no longer accept scores from high schools, they must be sent **directly** from ACT so it's important to record the **UNL code (2482) and/or UNO code (2464)** on the ACT registration if considering UNL or UNO.

NCAA AND NAIA: If considering playing college sports, scores must be sent directly to the NCAA and NAIA, as well. These codes, **NCAA: 9999** or the **NAIA: 9876**, must be recorded in the college choice section of the ACT registration form. Remember to also register online with the NCAA and/or the NAIA. This is a separate step you need to take to be ready to play college sports. Students can do this in their junior year AND must let the counseling office know so they can send your transcript to these places.

COLLEGE FINANCIAL AID

Juniors should start their college planning soon. The EducationQuest Foundation, with locations in Kearney, Lincoln and Omaha, will help you plan your education path. The following online information can also help you with the planning process and can be accessed by visiting their website at www.educationquest.org.

College Selection Service - This program suggests schools that match your interests and needs.

College Funding Estimator - This program estimates your federal financial aid eligibility and aids in filling out the FAFSA later.

Scholarship Search - This will provide you with a list of private scholarships for which you may qualify. *(Check this list during the summer months as some scholarships have very early deadlines.)*

SUMMER SCHOOL CLASSES REMINDER

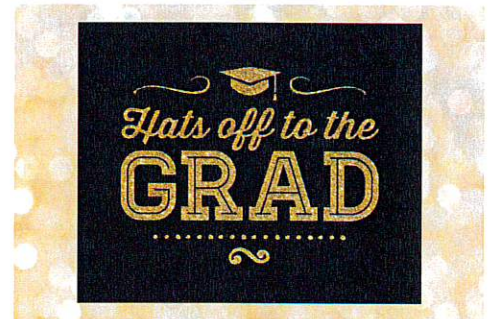

Summer School will be held at the York Public Schools High School Enrichment Center May 20-24 and May 28-31, 2024, to retrieve and/or make-up credits failed or not completed during the school term 2023-2024. There will be one session each day at the YHS Enrichment Center, 8:00 am to 12:00 noon. YHS students failing a first semester required course and qualifying for summer school will receive a letter and enrollment form to be filled out and returned to the counseling office as soon as possible. The fee for summer school is \$100 or a waiver if your family qualifies for free/reduced lunch program.

If your student is failing a second semester required course please encourage them to work harder and raise it to passing. If you have questions or want further information please call 402-362-6655, option 2 and ask for Jake Snodgrass or Dana Schmid OR email them at jake.snodgrass@yorkdukes.org or dana.schmid@yorkdukes.org

CONGRATULATIONS!

Congrats to all students who received awards and scholarships on Honors Night 2024! Over 66% of the senior class received one or more scholarships. So far, the class of 2024 has received over 3.7 million dollars in scholarships. We are so proud of our students and wish them great success with their future plans. Reminder to seniors – if you receive outside scholarships and haven't notified the Counseling office, please let us know so we can include this information in the graduation program.

Thanks, Class of 2024, for being great leaders at YHS and showing those who follow what exciting things can happen with hard work! You are a talented group!

JUNIORS (SENIORS-TO-BE)

*Class of
2025*

Now is the time to schedule campus visits to colleges in which you are interested. You can also start looking for scholarships at ScholarshipQuest at educationquest.org. WHO: NEXT YEARS 3-8th graders

The York Duke Youth Football organization will once again make Pee Wee tackle football available to all boys in grades 4th-6th in the 2024-25 school year. The York Duke Pee Wee tackle football team will be a competitive youth football team that will compete once again in the Farmers Valley football league.

Even though this is a competitive league a very high stress will be placed on player safety, FUN, and character development. The main goal that our coaches have is to help the child develop a love of football and make them want to play again next year. This team will also be using the same schemes that the York high school and Jr high teams run, so it will prepare them for high school and Jr high football very well.

Character development will be stressed on a daily basis and your sons will be taught themes such as loyalty, work ethic, integrity, and manners. These are themes that we take very seriously, and feel they are just as important as football lessons and techniques that they will acquire.

Your child will be taking part in a competitive environment working hard and learning valuable life lessons in a safe environment. **THIS WILL BE A POSITIVE EXPERIENCE FOR YOUR SON!** Every player will play in every game, but the playing time may not be equal.

Our team will play a full 5 game “varsity” schedule in our league, and a 5 game “JV” schedule. In JV games priority will be placed on the 5th grade team as 4th grade is a “learning year.” **ALL PLAYERS WILL PLAY IN EVERY GAME BUT PLAYING TIME MAY NOT BE EQUAL.** We have generally played a couple 4th grade scrimmages for the younger players.

Pad Check out will be Thursday August 1st at 6:00 PM at the high school track\ practice field, and the first practice will be immediately after a quick parent meeting at YHS practice field. Practice will begin at 6:00 pm on Tuesdays and Thursdays with ending time and potential 3rd practice determined by coaches and communicated at parents meeting August 1st. Games are always on Sunday afternoons. We will have a parents meeting on Thursday August 1st at the high school practice field after pad check out to discuss the season. The head coach for the 2024 team will be Brett Eimermann with a variety of other volunteers as well.

See you in the fall!

Summer Food Service Program

Dear Parent(s) or Guardian(s),

Summer is coming soon. You may be thinking about what your child will do for meals while school is out. The good news is that the U.S. Department of Agriculture partners in your local community to serve free meals. It's food that's in, while school is out. There are no income requirements, and any child ages 1 to 18 may come to eat.

Here is information about your local Summer Food site:

York Elementary School, 1501 Washington Avenue, York, NE 68467
The summer meals program is free to kids and teens (ages 1 through 18).
Adult meals are available for \$3.00 for breakfast and \$5.25 for lunch.

Days meals are served:

May 23-24, May 28-July 3 (no meals will be served on Memorial Day, May 27)

Times meals are served:

Breakfast served from 7:45 AM to 8:30 AM; Lunch served from 11:45 AM to 12:30 PM

Place where meals are served:

York Elementary School Cafeteria

Contact for more information:

York Public Schools, 1715 N Delaware Avenue, York, NE 68467

We look forward to seeing your child this summer! Thanks!

Sincerely,
