## COUNSELING CENTER NEWS

### HONORS NIGHT / SENIORS AND PARENTS

Honors Night will be held on Monday, April 7, at 7:00 pm. If your student has received college scholarships and/or is planning to go into the **MILITARY (including National Guard)**, please let us know so we can include them in our program. Colleges and other organizations do not always let us know about these and we want to honor those students for their accomplishments.

### AFTER HONORS NIGHT

After Honors Night, seniors will be sent important information on how to collect their scholarship funds. An email will be sent to each student via their personal email. (If a parent wishes to also receive this email, please notify Deb Stuhr at [deb.stuhr@yorkdukes.org](mailto:deb.stuhr@yorkdukes.org) requesting this.) Most scholarships are paid per semester, **so it's important to hold onto these contacts through second semester because students will be asked to submit information to these committees again.** If you do not receive the information in a few weeks, please let the counseling office know.

Students are also required to promptly write a thank you note for each scholarship received. The notes are provided by the Counseling office, but postage must be handled by your student.

### REMINDER: SUMMER SCHOOL CLASSES FOR CREDIT RECOVERY

Summer school classes for credit recovery will be offered at the Enrichment Center again this year. This is scheduled for May 27 through June 6 (Monday-Friday except Memorial Day) from 8:00 am to 12:00 noon for students who are at risk of not meeting York High School graduation requirements. Space is limited and priority will be given to first semester failures. There is a fee for attending summer school. A letter will be sent out to parents with at-risk students later in April explaining the process to follow if you want your child to take a class. If you have questions, please feel free to contact your child's counselor as soon as possible.

### 2025-2026 SENIORS

If you are considering college and plan to apply for scholarships, we encourage you take the June and/or July ACT test. Fee waivers for the June and July tests are available until the regular registration deadline of May 9 / June 6. ACT scores from tests taken in the junior year are used for Regents scholarship competition. Seniors are also encouraged to consider the test dates in September, October and December for college scholarship consideration. Many scholarships have very early deadlines so taking those earlier tests ensures scores will be available when needed.

### ACT TEST DATE

Saturday, June 14  
Saturday, July 12

### REGISTRATION DEADLINE

May 9  
June 6

### FEE WAIVERS:

Cost should never be a deterrent when it comes to college opportunities. If this is an issue for your child, please take full advantage of fee waivers available through the ACT, SAT or the NAIA and NCAA. These are available for our students who qualify for free or reduced lunches. If you would like to know if you qualify or just want to pick up a waiver, you or your student needs to come to the counseling office.

### NAIA AND NCAA REGISTRATION

If you want to play sports in college, you will need to register with the NAIA (fee is charged) or the NCAA, depending on the college you wish to attend. These two organizations require ACT scores sent directly from the ACT testing center so you will need to include the NAIA code (9876) or the NCAA code (9999) in your choices of where you want your scores sent. If scores need to be sent later, there is a fee for each score sent. *Please also be sure Mrs. Stuhr is aware of your college sport participation so your final transcript gets sent to these entities.*

# What distracted driving looks like

If something requires your hands, your eyes or your attention while you're driving, it's a distraction.

## Distractions can include:

- **Cell phone use**

- Texting (even if you're using voice commands)
- Taking or making phone calls (even hands-free)
- Recording videos
- Using social media
- Checking or sending emails

- **Passengers and pets inside the vehicle**

- **Events outside the vehicle**

- **Eating**

- **Adjusting your GPS, music, podcast or audiobook**

- **Using your vehicle's touchscreens**

- **Handling dispatching devices and mobile data terminals**

These habits may be common, but they're still distracting and dangerous for you and everyone else on the road.

When you're behind the wheel, your only job is to drive.

# Just Drive.
